OFICIO No. UNCP/700/TU/AD/ 137 /2021

Ciudad de México, a 26 de marzo de 2021.

MICHAEL PADILLA SÁNCHEZ
Titular de la Coordinación de Legislación y Consulta
Instituto Mexicano del Seguro Social (IMSS)
P r e s e n t e

Me refiero a su oficio No. 09521761481O/0324, de fecha 12 de marzo del año en curso, recibido mediante correo electrónico de la misma fecha, y registrado en el Sistema de Control de Gestión de la Unidad de Normatividad de Contrataciones Públicas (UNCP) con el folio T-0160-21, por medio del cual, hace referencia a la consulta realizada por el Titular de la Coordinación de Adquisición de Bienes y Contratación de Servicios de ese IMSS, a través del oficio 09 53 84 61 1CF0/02110, mediante el cual, plantea duda respecto a la factibilidad de que un contrato que se integra por las partidas 2, 7, 8, 17, 19, 23, 32, 35, 39, 40, 44, 49, 53 y 57, sea terminado anticipadamente únicamente por lo que concierne a una de ellas, toda vez que fue declarada desierta mediante reposición de fallo, el cual derivó de una resolución del Órgano Interno de Control de ese Instituto.

En dicho oficio, se hace referencia al contrato número DC20S238 derivado de procedimiento de Licitación Pública para la prestación del Servicio Médico Integral de Estudios de Laboratorio Clínico, relativo a las partidas en cita, el cual fue formalizado con las empresas Hemoser, S.A. de C.V., en participación conjunta con Elismart, S.A. de C.V., respecto del cual el Órgano Interno de Control en ese IMSS instruyó la reposición del fallo del citado procedimiento, por lo que la partida 39, una de las partidas adjudicadas originalmente a las empresas referidas, se declaró desierta.

Asimismo, se cita lo señalado en el artículo 75, último párrafo de la LAASSP, indica que en el caso que nos ocupa, procede terminar anticipadamente el contrato formalizado con las empresas Hemoser, S.A. de C.V. en participación conjunta con Elismart, S.A. de C.V., respecto de la partida 39, no obstante, los derechos y obligaciones pactados en dicho contrato con relación a las demás partidas siguen intactas, por lo que formula la siguiente consulta:

1. Si normativamente es factible dar por terminado de manera anticipada el contrato DC20S238 únicamente en cuanto a las obligaciones correspondientes a la partida 39, como consecuencia de la reposición del fallo emitida en cumplimiento a la instrucción del Órgano Interno de Control en ese IMSS.

   Es decir, sin modificar los derechos y obligaciones de aquellas partidas que no resultaron afectadas por el cumplimiento a las resoluciones de la instancia de inconformidad.

2. En caso de resultar factible lo anterior, si resulta procedente la firma de un Convenio Modificatorio que contemple la Terminación Anticipada respecto de la partida 39 y la inalterabilidad en los derechos y obligaciones previstas en el contrato para el resto de las partidas adjudicadas.

Sobre el particular, es de señalar que las facultades de la UNCP previstas en el Décimo transitorio del Reglamento Interior de la Secretaría de la Función Pública, publicado el 16 de abril de 2020 en el Diario Oficial de la Federación (DOF), en relación con el artículo 51, fracción II del abrogado Reglamento Interior de la Secretaría de la Función Pública, publicado el 19 de julio de 2017 en el DOF; y en concordancia con los artículos 31, fracción XXV, de la Ley Orgánica de la Administración Pública Federal (LOAPF), Primero, Sexto, Séptimo, Octavo y Décimo Tercero transitorios del DECRETO por el que se reforman, adicionan y derogan diversas disposiciones de la Ley Orgánica de la Administración Pública Federal (LOAPF), publicado el 30 de noviembre de 2018 en el DOF, así como el artículo 8, párrafo segundo del. Reglamento de la Ley de Adquisiciones, Arrendamientos y Servicios del Sector Público (RLAASSP) en relación con el artículo 7, párrafo primero de la LAASSP, están referidas a interpretar para efectos administrativos la LAASSP, así como las demás disposiciones jurídicas que regulan esa materia, asesorar, dar orientación y atender las consultas que al respecto se formulen, en consecuencia, a efecto de orientarle en la toma de decisiones que corresponda, a continuación le comunico la siguiente opinión:

Los artículos 54 Bis, 73, fracción VI, 74, fracción V y 75, párrafo séptimo de la LAASSP, expresamente determinan que:

> *"Artículo 54 Bis.- La dependencia o entidad **podrá dar por terminados anticipadamente los contratos cuando concurran razones de interés general, o bien, cuando por causas justificadas se extinga la necesidad de requerir los bienes o servicios originalmente contratados,** y se demuestre que **de continuar con el cumplimiento de las obligaciones pactadas, se ocasionaría algún daño o perjuicio al Estado, o se determine la nulidad de los actos que dieron origen al contrato, con motivo de la resolución de una inconformidad o intervención de oficio emitida por la Secretaría de la Función Pública.** En estos supuestos **la dependencia o entidad reembolsará al proveedor los gastos no recuperables en que haya incurrido,** siempre que éstos sean razonables, estén debidamente comprobados y se relacionen directamente con el contrato correspondiente."*

> *"Artículo 73. La resolución contendrá:*
> *VI. Los puntos resolutivos que expresen claramente sus alcances y efectos, en congruencia con la parte considerativa, fijando cuando proceda las directrices para la reposición de actos decretados nulos o para la firma del contrato."*
>
> *"Artículo 74.- La resolución que emita la autoridad podrá:*

> *V. **Decretar la nulidad del acto impugnado, para efectos de su reposición, subsistiendo la validez del procedimiento o acto en la parte que no fue materia de la declaratoria de nulidad,** y..."*

En los casos en que existan contratos derivados de los actos declarados nulos, dichos acuerdos serán válidos y exigibles hasta en tanto se da cumplimiento a la resolución, pero será necesario terminarlos anticipadamente cuando la reposición de actos implique que debe adjudicarse a un licitante diverso, deba declararse desierto el procedimiento o se haya decretado su nulidad total."

De los preceptos transcritos se puede desprender que en el supuesto de que la Secretaría de la Función Pública decrete en sus resoluciones de inconformidad la nulidad del acto de fallo de un procedimiento de licitación pública o de invitación a cuando menos tres personas que se hubiere impugnado, para efectos de su reposición, la reposición del fallo puede implicar:

1. Que **el contrato derivado del acto declarado nulo (fallo de origen) deba adjudicarse a un licitante diverso, deba declararse desierto el procedimiento o se haya decretado su nulidad total, en cuyos casos, de existir contratos** derivados de los actos declarados nulos (fallo de origen), **dichos acuerdos serán válidos y exigibles hasta en tanto se da cumplimiento a la resolución de inconformidad** (se emita la reposición del acto), **siendo necesario terminarlos anticipadamente con posterioridad a la emisión de la reposición del fallo.**

2. Que **el contrato se adjudique nuevamente al proveedor o proveedores que hubieren resultado ganadores en el acto de fallo de origen, por seguir ofertando las mejores condiciones para el Estado,** supuesto en el que bajo el argumento jurídico *"a contrario sensu"* **se entiende implícito que no sería necesario terminar anticipadamente el o los contratos primigenios, mismos que podrían seguir vigentes, sin perjuicio de poderse modificar en términos del artículo 52 de la LAASSP, derivado de las reposiciones de fallo correspondientes,** máxime que, bajo el argumento jurídico apagógico, resultaría absurdo terminar anticipadamente el o los contratos primigenios y volver a formalizar otro u otros nuevos con el o los mismos proveedores, **por el mismo objeto** y condiciones de contratación.

A mayor abundamiento, le comento que ha sido opinión de esta área normativa derivado de otros planteamientos similares, que en los artículos 73, fracción VI y 75, último párrafo, de la LAASSP, **se determina que la resolución de una inconformidad contendrá, entre otros aspectos, "Los puntos resolutivos que expresen claramente sus alcances y efectos, en congruencia con la parte considerativa, fijando cuando proceda las directrices para la reposición de actos decretados nulos o para la firma del contrato", y que "En los casos en que existan contratos derivados de los actos declarados nulos, dichos acuerdos serán válidos y exigibles hasta en tanto se da cumplimiento a la resolución,** pero será necesario terminarlos anticipadamente cuando la reposición de actos implique que debe adjudicarse a un licitante diverso, deba declararse desierto el procedimiento o se haya decretado su nulidad total", de lo cual se desprende que **cada caso en particular debe ser analizado jurídicamente y en forma separada, a efecto de identificar con claridad tanto los alcances y efectos determinados en la resolución, como las directrices que, en su caso, haya dictado la**

autoridad resolutora con respecto al contrato, así como los efectos y alcances que en su caso se generarán con la reposición del acto que fue declarado nulo.

Con base en lo anterior, respecto del caso concreto que plantea en su consulta, resultaría que si derivado de la reposición del fallo que fue declarado nulo por la autoridad administrativa, fuera necesario que alguna de las partidas que originalmente fueron adjudicadas en un solo contrato, deba excluirse del mismo, tendría que terminarse anticipadamente el contrato primigenio, en su totalidad, y formalizarse uno nuevo, en virtud de que el objeto del contrato ya no sería el mismo.

En efecto, es de considerar que al haberse declarado nulo el acto que motivó la adjudicación del contrato, resultaría que dicho instrumento se encontraría viciado y carecería de eficacia jurídica plena, por lo cual tendría que ser terminado en forma anticipada, a efecto de celebrar un nuevo acto que sí cuente con dicha eficacia.

En adición a lo anterior, es de precisar que en términos de los artículos 1938, 1940 y 1941 del Código Civil Federal (CCF), supletorio a la LAASSP, conforme a su artículo 11 en concordancia con diversas tesis jurisprudenciales emitidas por el Poder Judicial de la Federación, ha sido opinión reiterada de la Unidad de Normatividad de Contrataciones Públicas, que la terminación anticipada del contrato, es una condición resolutoria que se cumple una vez que se actualiza alguno de los supuestos a que se refiere el artículo 54 Bis de la LAASSP y que no implica el derecho de audiencia previa a favor del proveedor, por lo que una vez que se materializa debe ser notificada al proveedor conforme a lo dispuesto por el Código Federal de Procedimientos Civiles (CFPC), supletorio a la LAASSP acorde con su artículo 11, momento el en cual se extingue la relación jurídica.

Derivado de todo lo señalado, es de concluir que de conformidad con el artículo 74, fracción V de la LAASSP, si con la reposición del fallo, subsiste la adjudicación de todas las partidas adjudicadas originalmente a las empresas Hemoser, S.A. de C.V., en participación conjunta con Elismart, S.A. de C.V., a excepción de la adjudicación de la partida objeto de impugnación y se realizó un solo contrato, no resultaría factible dar por terminado anticipadamente el contrato de mérito, solo por cuanto hace a las obligaciones correspondientes a la partida 39 (según lo indica en su planteamiento), toda vez que ni la LAASSP, ni su Reglamento, ni la demás normatividad aplicable, contemplan la existencia de terminaciones anticipadas parciales de los contratos, y para el caso planteado, al resultar nula la adjudicación de la partida 39 del conjunto de partidas adjudicadas a las empresas Hemoser, S.A. de C.V., en participación conjunta con Elismart, S.A. de C.V. mediante un solo contrato, se considera que aun y cuando subsiste la adjudicación de varias partidas, el objeto de dicho acuerdo de voluntades no podría ser el mismo después de la reposición del fallo, razón por la cual, tendría que terminarse anticipadamente el contrato, figura distinta a un convenios modificatorio cuyo objeto no puede ser el de una terminación anticipada parcial que no existe jurídicamente..

No omito mencionar, que la opinión emitida por esta Unidad a través del presente, tiene por objeto brindar únicamente una asesoría y orientación general con base en los antecedentes

ATENTA NOTA

Lic. Claudia Patricia Rodríguez Dorantes
Titular de la División de Contratos

Me refiero al escrito presentado por el representante legal de la persona moral IMPROMED, SA. DE C.V., mediante el cual se indica que la vigencia del contrato DC21S147 es a partir del mismo día en que tuvo lugar la terminación anticipada y hasta el 31 de diciembre de 2022.

Al respecto, en términos de lo establecido en el numeral 7.1.3.2.1.1. del Manual de Organización de la Dirección de Administración, y en atención al escrito antes señalado me permito comentarle lo siguiente:

- El contrato a celebrase con la empresa IMPROMED, S.A. DE C.V. y CIBERNÉTICA DE MÉXICO, S.A. DE C.V. para la prestación del "Servicio Médico Integral de Estudios de Laboratorio Clínico 2020-2022" (partidas 6, 9, 10, 12, 13, 15, 16, 18, 21, 22, 24, 25, 26, 29, 33, 36, 37, 38, 41, 42, 43, 46, 47, 48, 50, 51, 52, 54, 55, 58 y 59), tiene como finalidad reasignar partidas que se declararon nulas mediante la reposición de fallo de fecha 4 de febrero de 2021.

  Lo anterior, en cumplimiento a la Resolución N° 00641/30.15/7364/2020 dentro del expediente de inconformidad número IN-176/2020, incidente INC-011/2020, que dio como resultado la modificación a las partidas 7, 23, 40 y 56, mismas que fueron adjudicadas a un licitante diferente al adjudicado con anterioridad.

- Las partidas 6, 9, 10, 12, 13, 15, 16, 18, 21, 22, 24, 25, 26, 29, 33, 36, 37, 38, 41, 42, 43, 46, 47, 48, 50, 51, 52, 54, 55, 58 y 59 no sufrieron alguna modificación respecto a las condiciones y términos anteriormente adjudicadas mediante Acta de Fallo de fecha 1 de abril de 2020, por lo que se contínúa con el servicio en las mismas condiciones, toda vez que, por ejemplo el plazo para la puesta a punto ya se ejecutó.

- La vigencia del contrato no altera el plazo para la prestación del servicio, ni sus obligaciones respecto a las partidas que no fueron afectadas en la reposición de fallo de fecha 4 de febrero de 2021.

- La vigencia del contrato se encuentra aparejada con la terminación anticipada de las partidas declaradas nulas y de la suscripción del contrato DC21S147 (siendo esta el mismo día el acontecimiento de los dos actos jurídicos), lo anterior en términos del artículo 75, último párrafo de la Ley de Adquisiciones, Arrendamientos y Servicios del Sector Público, el cual establece lo siguiente:

  *"**Artículo 75**. La convocante acatará la resolución que ponga fin a la inconformidad en un plazo no mayor de seis días hábiles. Sólo podrá suspenderse la ejecución de las resoluciones mediante determinación de autoridad administrativa o judicial competente.*

Por lo antes mencionado, me permito hacer las siguientes precisiones:

- El plazo para la prestación del servicio será a partir de la notificación de la reposición de fallo y concluirá el 31 de diciembre de 2022.

- La vigencia del contrato será a partir de la emisión de la reposición del fallo y hasta el 31 de diciembre de 2022.
